

## INTERNSHIP PROGRAMME COMPLETES 16 YEARS

*Pune:* Extentia, a Pune-based technology and services firm, has completed 16 years of Connect, its global internship programme.

The internship offers opportunities to over 150 interns from 40 countries in marketing, sales, software development, quality assurance and human resources, read a company statement.

"We're likely among the

longest-running international internship programmes in India,' said Umeed Kothavala, CEO, Extentia.

According to the statement, the three-six month internships saw the participation of students from Germany, Singapore, the United States, France, Mauritius, Kenya, Uganda, the Netherlands, Russia, Morocco, Egypt and Indonesia, among others. **ENS**
