

Extentia to host its annual hackathon from today

Pune: Extentia will host its fourth annual X24 hackathon from August 24 to 25 in Pune. X24 2018 will have six teams comprising of coders, designers, and sales representatives competing to solve a set of challenge statements. The theme for this year – D.I.E. – focuses on Data, Intelligence, and Experience tasking the teams to develop cutting-edge technology solutions for real-world problems. **ENS**
