PUNE, India, Sept. 17, 2020 /PRNewswire/ -- Extentia Information Technology announced that Naazneen Boocha has moved to the position of Chief Delivery Officer (CDO). In her new role, she will oversee the company's overall growth, and play an active part in catalyzing, funneling, and nurturing numerous new opportunities. Before moving to the position of CDO, Naazneen served as the VP, Delivery at Extentia, and has been a key contributor to the company's growing Salesforce Practice that now holds the status of a Salesforce Gold Consulting Partner and a Product Development Partner (Specialist Navigator).

Naazneen Boocha – CDO, Extentia Information Technology

A member of the SAP AppHaus Network, Extentia's XEN LAB PNQ, an experience design center, and XEN UNWIRED, their online workshop arm are well known for their design thinking and problem-solving workshops. Naazneen will be looking to leverage the entire spectrum of Extentia's strengths across technology, consulting, and user experience – refining the existing methods of bringing innovative, groundbreaking solutions to an increasingly connected world.

Over the coming years, the delivery team and related responsibilities are going to continue to expand. Extentia is planning for the present and the future – Naazneen will direct this growth, set standards, ensure engineering excellence, and make sure that the teams always exceed customer and partner expectations.

"As we continue to grow, explore new markets, and embrace new practices, we're excited and immensely proud to have Naazneen move to the position of Chief Delivery Officer," said **Umeed Kothavala, CEO, Extentia**. "Her extensive technical and management expertise has been key to Extentia's success over the years and we look forward to seeing Extentia's delivery teams growing further, under her strong leadership."
